

Cart Driving Instructions

General

- Listen to the guide's instructions and act quickly
- Stay in the cart at all times, unless upside down
- Must have eyewear, clothes that can get dusty and gloves (if needed)
- Ask questions and take pictures

Steering

- Do steering quickly
- More right
- More left
- Approach turns on the outside of the turn
- Follow the dogs
- Stay in the middle, except when instructed
- If asked to be on the edge, don't make new tracks

Braking

- More brake
- Less brake
- Brake smoothly with small increments, not fast and jerky
- Braking is a setting, not temporary
- Complete stop: "easy, easy, click"
- Brake unlocked unless stopped
- "Lock it up!"

Accelerator

- Accelerator releases brake

Opening Sequence

- Harness last dogs
- Get seated
- Practice locking and unlocking brake
- Hook up dogs
- Hit accelerator
- Half pressure brake
- Avoid tire and any loose dogs
- Move to the right side of the trail, about four feet to the left of the posts
